

13 Bellevue St Brisbane
26th July 2008.

To whom it may concern.

On Friday 22nd Feb 08 I was on the property of Mrs Robertson's at Buccan. I had gone down there to give her a hand to put beds together in the kennels.

While I was there the R.S.P.C.A. turned up with the police, the three men Laurie Stageman, Daniel Young and Shane Towers-Hammond parked their vehicles in the driveway, Laurie was in front, Daniel next and Towers-Hammond behind.

The Police were there too. Laurie and Daniel came into the office with Towers-Hammond - where Towers-Hammond asked Mrs Robertson to turn off the computer as they were taking it with them. The Police left as soon as these three men entered the office.

Mrs Robertson was sending evidence to her solicitor at the time.

These men were going through filing cabinets books cases, personal mail and accounts, taking papers and items out to Towers-Hammond, who had by this time gone outside to go through everything brought outside.

Mrs Robertson said to Laurie and Daniel these are my personal papers and bills, they ignored her and took them out to their trucks.

When Mrs Robertson's solicitor arrived she complained to him, Patrick Earl that she wanted receipts for everything taken off the property, as she said I have NOT been given receipts for my dogs that were taken on 9th Jan 08.

Her solicitor Patrick Earl and two co-workers were there with Mrs Robertson, Patrick Earl said to Mrs Robertson. Do not worry the R.S.P.C.A. will send receipts within a few days. I heard this being said.

I then went back to the kennels, as it was an extremely hot day, I kept coming back down to the house for water, back to the house and

AMANDA FRANKEL SO CERTIFY THAT THIS TWO
PAGE DOCUMENT IS A TRUE COPY OF WHICH I HAVE SIGHTED.

Came through the office to get a cold drink of water which was in a bag (cooler) on lounge room floor.

When I looked up the hall way I saw Daniel Young trip as he came out of Mrs Robertson's Bedroom & he had papers in his hand and turned towards the bathroom area.

Later I came back to the house again for another drink I came in from the kitchen to the lounge room.

Jowers Hammond and Daniel Young were there I looked and saw Daniel Young had papers pushing them in between books and papers, Jowers Hammond had ~~his~~ in his hand a handbag and had a hand inside

Daniel Young went "Ump Ump" to alert Jowers - Hammond that I was there, Jowers Hammond turned to me and said "Is this your handbag Mam". No I said mine is over there do you want to go through that as well."? NO Jowers Hammond replied its not relevant to the case.

On another break I saw boxes in the back of all three vehicles with papers in them, Jowers Hammond ~~had~~ moved his vehicle backed into the reception area he was talking on the phone I heard him say -

WE DONT HAVE ENOUGH WE NEED THE D.P.I.

I saw Mrs Robertsons grooming box in the back of his Jowers Hammond's vehicle, I had gone out to my car to get another bottle of water, I found Mrs Robertson talking to Rachael and told them what I heard Jowers - Hammond saying - I also told the Police when they spoke to me about what had happened on the day!
