To Whom it may Concern

I Paulina Jones purchased my dog from Geraldine Robertson on the 7<sup>th</sup> July 2007.

I found Geraldine to be a very caring and responsible breeder.

My dog demonstrates all the qualities and temperament of good breeding.

I received a full page of handwritten instruction and advice for the care of my puppy

This she followed up with a phone call three months later to ensure all was well.

I felt reassured and confident that she was a fine breeder who loved and cared for her dogs and had done so for more than thirty years. ate standard poodle

On the 1<sup>st</sup> Sunday in June I met Marilyn Diamond at the beach.

She had purchased a three month old chocolate standard poodle from the RSPCA for \$150.00

The dog was from Geraldine's stock.

Marliyn Diamond's phone number is 32690302

This is a true and accurate statement of fact.
