

To whom this may concern:

I, Paul Ho Chui of 93-103 Thomson Road, Wan Chai, Hong King, state T had ordered from Mrs Geraldine Robertson of 17-23 Buccan Road, Buccan, Queensland 4207, Australia, the following rare standard and toy poodle puppies in November 2007:

20 Brown Standard Poodle puppies @ AU\$ 5,000 each

20 Red Standard Poodle puppies @ AU\$ 6,000 each

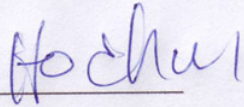

20 Brown and or Red Toy Poodle puppies @ AU\$ 2,000 each

from the next matings, puppies to be born between January 2008 and April 2008 to fill my outstanding orders from clients in Hong Kong & China.

I was also assured by Mrs. Robertson that I would be given first preference to any more puppies available born between the stipulated periods in order to fill all my outstanding orders.

I had in previous years purchased Standard & Toy Poodle puppies of 3 months to 10 months of age from Mrs Robertson for AU\$ 2,000 to AU\$ 15,000 each.

I am shocked to hear the scandalous theft of Mrs Robertson's beloved poodles and very disappointed to hear she cannot fill my orders. I can be contacted on (852) 91611146 if necessary.
